25X1A

MEMORANDUM FOR: Chief, SE Division

SUBJECT : Insurance on [REDACTED] Furniture While in Transit

25X1A 1. SE Logistics has brought to our attention a request from the [REDACTED] (Dispatch No. [REDACTED]) inquiring as to whether or not [REDACTED] furniture should be insured while in transit to the field and if so by whom and at whose cost.

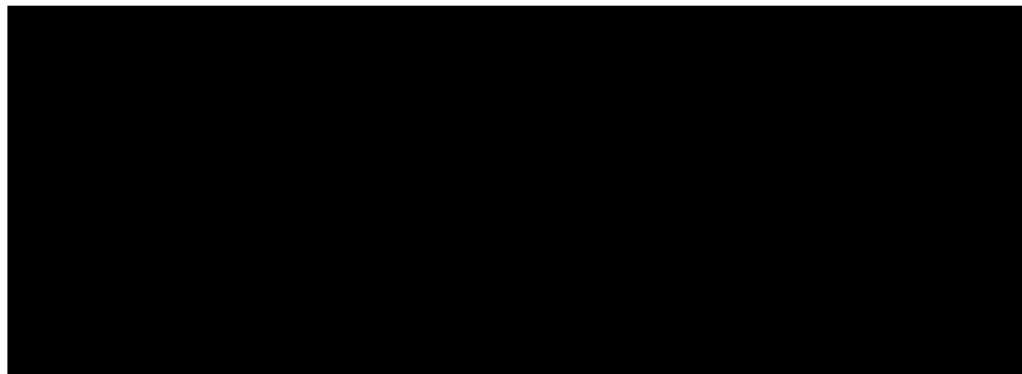

25X1A

2. Since [REDACTED] property is in fact property of the United States Government, and since the Government normally acts as its own insurer, we see no reason why the Agency should provide any insurance on such furniture. If damage occurs in transit for which recovery cannot be had from the packer and/or carrier, then the cost of repair should be met from station funds in accordance with paragraph 50 of [REDACTED] after survey as appropriate under [REDACTED]
